

programs, including prototypes, based on and related to user or system design specifications; or

(iii) The design, documentation, testing, creation, or modification of computer programs related to machine operating systems; or

(iv) A combination of the duties described in paragraphs (a)(3)(i), (a)(3)(ii), and (a)(3)(iii) of this section, the performance of which requires the same level of skills.

(b) *Intellectual and varied work test.* The employee's work is predominantly intellectual and varied in nature, requiring creative, analytical, evaluative, or interpretative thought processes for satisfactory performance.

(c) *Discretion and independent judgment test.* The employee frequently exercises discretion and independent judgment, under only general supervision, in performing the normal day-to-day work.

(d) *80-percent test.* In addition to the primary duty test that applies to all employees, General Schedule employees in positions properly classified at GS-5 or GS-6 (or the equivalent level in other comparable white-collar pay systems), must spend 80 percent or more of the worktime in a representative workweek on professional functions and work that is an essential part of those functions to meet the 80-percent test.

§ 551.208 Effect of performing temporary work or duties on FLSA exemption status.

(a) *Applicability—(1) When applicable.* This section applies only when an employee must temporarily perform work or duties that are not consistent with the primary or grade-controlling duty of the employee's official position description. The period of temporary work or duties may or may not involve a different geographic duty location. The FLSA exemption status of employees during a period of temporary work or duties must be determined as described in this section.

(2) *When not applicable.* This section does not apply when an employee is detailed to an identical additional position as the employee's position or to a position of the same grade, series code,

basic duties, and FLSA exemption status as the employee's position.

(b) *Effect on nonexempt employees.* (1) A nonexempt employee who must temporarily perform work or duties that are not consistent with the primary or grade-controlling duty of the employee's official position description remains nonexempt for the entire period of temporary work or duties unless all three of the following conditions are met:

(i) *30-day test.* The period of temporary work or duties exceeds 30 calendar days; and

(ii) *Exempt work or duty.* The employee's primary duty for the period of temporary work or duties is exempt work or duty as defined in this part; and

(iii) *Positions at GS-7 or above, or at situation 3 or 4.* The employee's position (including a position to which the employee is temporarily promoted) is properly classified in the General Schedule at GS-7 or above (or the equivalent level in other comparable white-collar pay systems) or properly classified in the Federal Wage System as a supervisor at situation 3 or 4 of Factor I of the *Federal Wage System Job Grading Standard for Supervisors* (or the equivalent level in other comparable wage systems).

(2) If a nonexempt employee becomes exempt under the criteria in paragraph (b)(1) of this section—

(i) The employee must be considered exempt for the entire period of temporary work or duties; and

(ii) If the employee received FLSA overtime pay for work performed during the first 30 calendar days of the temporary work or duties, the agency must recalculate the employee's total pay retroactive to the beginning of that period because the employee is now not entitled to the FLSA overtime pay received but may be owed title 5 overtime pay.

(c) *Effect on exempt employees.* (1) An exempt employee not covered by the special provision of paragraph (c)(3) of this section who must temporarily perform work or duties that are not consistent with the primary or grade-controlling duty of the employee's official position description remains exempt for the entire period of temporary work

or duties unless all three of the following conditions are met:

(i) *30-day test.* The period of temporary work or duties exceeds 30 calendar days; and

(ii) *Not exempt work or duty.* The employee's primary duty for the period of temporary work or duties is *not* exempt work or duty as defined in this part; and

(iii) *Positions at GS-7 or above, or at situation 3 or 4.* The employee's position (including a position to which the employee is temporarily promoted) is properly classified in the General Schedule at GS-7 or above (or the equivalent level in other comparable white-collar pay systems) or properly classified in the Federal Wage System as a supervisor at situation 3 or 4 of Factor I of the *Federal Wage System Job Grading Standard for Supervisors* (or the equivalent level in other comparable wage systems).

(2) If an exempt employee becomes nonexempt under the criteria in paragraph (c)(1) of this section—

(i) The employee must be considered nonexempt for the entire period of temporary work or duties; and

(ii) If the employee received title 5 overtime pay for work performed during the first 30 calendar days of the temporary work or duties, the agency must recalculate the employee's total pay retroactive to the beginning of that period because the employee may now not be entitled to some or all of the title 5 overtime pay received but may be owed FLSA overtime pay.

(3) *Special provision for exempt employees at GS-5 or GS-6, or below situation 3.* The exemption status of certain exempt employees who must temporarily perform work or duties that are not consistent with the primary or grade-controlling duty of their official position description must be determined on a workweek basis for the period of temporary work or duties. Such employees are exempt employees whose positions (including a position to which the employee is temporarily promoted) are properly classified in the General Schedule at GS-5 or GS-6 (or the equivalent level in other comparable white-collar pay systems), or are properly classified in the Federal Wage System below situation 3 of Factor I of the

Federal Wage System Job Grading Standard for Supervisors (or the equivalent level in other comparable wage systems). The exemption status determination of these employees will result in the employee either remaining exempt or becoming nonexempt for that workweek, as described in paragraphs (c)(3)(i) and (c)(3)(ii) of this section.

(i) *Remain exempt.* An exempt employee remains exempt for a given workweek *only* if the employee performs exempt work or duties for 80 percent or more of the worktime in that workweek.

(ii) *Become nonexempt.* An exempt employee becomes nonexempt for a given workweek *only* if the employee performs nonexempt work or duties for more than 20 percent of the worktime in that workweek.

(d) *Emergency situation.* Notwithstanding any other provisions of this section, and regardless of an employee's grade level, the agency may determine that an emergency situation exists that directly threatens human life or safety, serious damage to property, or serious disruption to the operations of an activity, and there is no recourse other than to assign qualified employees to temporarily perform work or duties in connection with the emergency. In such a designated emergency—

(1) *Nonexempt employee.* The exemption status of a nonexempt employee remains nonexempt whether the employee performs nonexempt work or exempt work during the emergency; and

(2) *Exempt employee.* The exemption status of an exempt employee must be determined on a workweek basis. The exemption status determination of exempt employees will result in the employee either remaining exempt or becoming nonexempt for that workweek, as described in paragraphs (d)(2)(i) and (d)(2)(ii) of this section.

(i) *Remain exempt.* An exempt employee remains exempt for any workweek in which the employee performs exempt work or duties for 80 percent or more of the worktime in a given workweek.

(ii) *Become nonexempt.* An exempt employee becomes nonexempt for any workweek in which the employee performs nonexempt work or duties for

more than 20 percent of the worktime in a given workweek.

§ 551.209 Foreign exemption criteria.

(a) *Application.* When the *foreign exemption* applies, the minimum wage, overtime, and child labor provisions of the Act do not apply to *any* employee who spends *all* hours of work in a given workweek in an exempt area. When an employee meets one of the two criteria in paragraph (b) of this section, the foreign exemption applies until the employee spends *any* hours of work in any nonexempt area as defined in § 551.102.

(b) *Foreign exemption applies.* If an employee meets one of the two following criteria, the employee is subject to the foreign exemption of the Act and the minimum wage, overtime, and child labor provisions of the Act do not apply:

(1) The employee is permanently stationed in an exempt area and spends *all* hours of work in a given workweek in one or more exempt areas; or

(2) The employee is not permanently stationed in an exempt area, but spends *all* hours of work in a given workweek in one or more exempt areas.

(c) *Foreign exemption does not apply.* For any given workweek, the minimum wage, overtime, and child labor provisions of the Act apply to an employee permanently stationed in an exempt area who spends *any* hours of work in any nonexempt area. For that workweek, the employee is not subject to the foreign exemption, and the agency must determine the exemption status of such an employee as described paragraphs (c)(1) and (c)(2) of this section. The foreign exemption does not resume until the employee again meets one of the criteria in paragraph (b) of this section.

(1) *Same duties.* If the duties performed during that workweek are consistent with the primary or grade-controlling duties of the employee's official position description, the agency must designate the employee the same FLSA exemption status as if the employee were permanently stationed in any nonexempt area.

(2) *Different duties.* If the duties performed during that workweek are not consistent with the primary or grade-controlling duties of the employee's official position description—

(i) The agency must first designate the employee the same FLSA exemption status as the employee would have been designated based on the duties included in the employee's official position description if the employee were permanently stationed in any nonexempt area; and

(ii) The agency must determine the employee's exemption status for that workweek by applying § 551.208.

(d) *Resumption of foreign exemption.* When an employee returns to any exempt area from performing any hours of work in any nonexempt area, the employee is not subject to the foreign exemption until the employee meets one of the criteria in paragraph (b) of this section.

§ 551.210 Exemption of employees receiving availability pay.

The following employees are exempt from the hours of work and overtime pay provisions of the Act:

(a) A criminal investigator receiving availability pay under § 550.181 of this chapter; and

(b) A pilot employed by the United States Customs Service who is a law enforcement officer as defined in section 5541(3) of title 5, United States Code, and who receives availability pay under section 5545a(i) of title 5, United States Code.

§ 551.211 Statutory exclusion.

A customs officer who receives overtime pay under subsection (a) or premium pay under subsection (b) of section 267 of title 19, United States Code, for time worked may not receive pay or other compensation for that work under any other provision of law. As used in section 5, the term "customs officer" means a United States Customs Service supervisory or non-supervisory customs inspector or a supervisory or nonsupervisory canine enforcement officer.
